Discussion/New Business

Dennis Hill, a Kenmore resident, spoke about a revitalization and re-development plan for the Kenmore Downtown core. He and several other interested parties are forming an economic development group. Dennis gave an overview of what they are trying to accomplish and their first preliminary meeting will include the Mayor of Kenmore, King County economic development staff, City of Bothell & perhaps Woodinville. They currently have 2 positions on this task force and have invited someone on this Commission to serve on it.

Unfinished Business

The request for \$2000 for Economic Vitality Group has been submitted to the Mayor for inclusion in the 2007/08 budget. Will wait for budget approval before proceeding. If it is approved, then there will be a strategic planning session at the following EDC meeting to prepare specific subjects/questions so as to use the Consultant's time most efficiently.

Commercial/Mixed Use areas in LFP. Heidi will request colored zoning maps of the City for all commissioners to use for analysis.
