

# Lake Forest Park Celebrates Good Neighbors

## Exceptional People Creating An Exceptional Community

Do you know someone who deserves to be honored for making a difference in the community or your neighborhood? This exceptional person may be an adult or youth whose helpful acts have been done without seeking or receiving recognition. Honor him or her with a nomination for the City of Lake Forest Park Good Neighbor Award. A family member, friend or neighbor is welcome to recommend nominees.

Nominees must meet the following criteria

- 🌳 They have made a memorable contribution to the Lake Forest Park community. It is not necessary for nominees to be city residents.

- 🌳 They make a positive contribution to their Lake Forest Park neighborhood.

- 🌳 They have demonstrated efforts beyond the scope of citizen responsibilities.

- 🌳 They may not be employed by the City of Lake Forest Park or be a current elected City official.

To submit a nomination, please complete the Good Neighbor Awards Nomination Form with a brief description of your nominee's contribution to the community. Deadline for nominations is February 28, 2008 and may be mailed or delivered to city hall.

The Human Services Commission will recommend to the Mayor those selected for this year's Good Neighbor Awards. Awardees will be honored at a ceremony at city hall in Spring 2008
