March 12th, Meeting Notes Approved.

Shoreline Arts Council has porta-stage, Director = Roz
Hanegan to check with Shoreline School Dist re: old fashioned projector, investigate projection screens.

Commission needs to have infrastructure for July 18th event by May Commission meeting in order to facilitate poster design and creation. All Commissioners are requested to bring 3 possible naming options and suggestions for movie titles to May Parks Commission meeting.

Contact Tim regarding Barbeque options and information.

Equipment to rent for event: Pop Corn machine, Screen/Projector – budget \$30-\$50 ea for 6 - 30 minute musical groups

Regarding Animal Acres memorial heather planting by citizen – What responsibility/authority do we have regarding placement of donated materials? If one donation of plants is accepted, how do we maintain control? Does this create a precedent? If we accept heather (or any other type of donated plant), how do we verify “native” plants status, do we maintain options as to where exactly it is planted? Steve Worthy should be contacted regarding additions to his planting plan.

June 21 – Need 12 volunteers to act as “hosts” for Garden event. – What about name tags for volunteer (ID)

April 26th is planting party at Lyon Creek “Volunteer Day”

April 26th is also the Stewardship Foundation Auction.

Commissioners are requested to make plan/recommendations regarding plantings (native) in area around reservoir at Horizon View Park. A recommended book is Kruikenberg’s (SP?) “Native Planting Guide”.

Meeting adjourned: 8:30 pm
