Movie Night

Bring your own picnic

Event nights:

July 16 and August 20.

It was proposed that we have three music groups prior to the movies.

We need volunteers to help with the program. Suggestion was to get high school student volunteers.

Rick Purn said that he would write a note to his elementary school parents about volunteering.

Other things to resolve are whether to rent or buy equipment. Next meeting we need an update on the show mobile.

Cole Nature Park

The draft master plan for the park will be presented in a public hearing before the City Council on Feb.12.

Commissioners reviewed the plan. Rick Purn agreed to provide a short presentation on the educational linkage between school and the park.

The commission will receive a more comprehensive report at its next meeting

Meeting adjourned at 9:00 PM.
