**City of Lake Forest Park**  
**PARKS AND RECREATION COMMISSION**

**Meeting Summary**

April 14, 2004

Attendance: Florence Wright, Chair; Heidi Coffman, Tim Walsh, Rick Purn, Tom Kellock  
Absent: Jodi Waltier, Steve Hanegan  
Staff: Nesoff

Meeting called to order by Florence Wright, Chair

Notes from previous meeting approved with the following exception. Line 22 should read “ Members took a vote on whether to rent or ~~purchase equipment~~ a projector and speakers.

Nesoff reported on the youth dialog project that the Human Services Commission is initiating.

Commissioners were reminded that the willow trees on Ballinger Way will need to be removed since they are hazardous. It was agreed that the City should contract with a landscape designer to propose what would work and to design a landscape base. There was a recommendation for Western Birch, deciduous for light in winter, Sitka Willows.

Commissioners recommended that our policy for use and rental of city playfields should be consistent with the City of Shoreline.

Reports were delivered on the Green Fair and Sustaining Lake Forest Park taskforce.

Commissioners discussed having a taskforce identify potential properties for recreational use for the city to purchase at a later date.

Meeting adjourned at 8:30 PM
