Betsy Piano  
Absent Heidi Coffman, Rick Purn

Notes

Notes from previous meeting approved with the change that both Cmr. Kellock and Purn suggested the Tai Chi classes in the park.

Tennis Court Signage

Florence Wright and Tema will meet at the Lake Forest Park Elementary School Tennis Courts to so they can make a recommendation to the commission on the placement of directional signage.

Toddler Playground

Commissioners agreed that Eagle Scout Park is the appropriate site for a toddler playground as opposed to Animal Acres. Eagle Scout is currently wasted space and it can be enclosed for a playground. It is an appropriate size. There could be parking in the right of way on 182<sup>nd</sup> Street.

Lago Place Proposed Playground

Commissioners voted to recommend acceptance of the Lago Place property currently owned by Inland Empire when and if this property is released by the State.

Commissioners agreed that the parks crew must maintain it. Betsy Piano reported that neighbors are very interested in having it be a park and might volunteer their labor. It is ugly now but can be improved.
