Attendance: Michelle LeMoine, Betsy Piano, Judy Altman, Claudine Manio, Candy Richards  
Absent: Elliott Sterner, Kate Comtois, Charlie Bright, Rick Purn  
Staff: Tema Nesoff

Notes from previous meeting: There was not a regular meeting in January.

Shelter Horizon View

There are funds in the capital budget for a barbecue shelter at Horizon View Park. A prefab structure may be the best option. Claudine will check out website for companies that sell such structures. Members will also go to other parks and check their structures out. Commissioners will discuss the site for locating the shelter at the next meeting.

In terms of public reservations for use of the shelter, commissioners recommend that it be done by e-mail or phone at city hall. The logistics will need to be worked out.

Bridge at Blue Heron

Commissioners feel strongly that this is will make an excellent addition to Lake Forest Park. It will provide a safe connection from the Town Center to Hamlin Street and Sheridan Heights. They want to urge the Council and Mayor to make it a priority after the plans for the Town Center are announced by the owner.

Ivy

Reminders should be placed on the website and the Town Crier about not planting ivy, removing ivy, and other invasives. People should be reminded that ivy harbors rats.

Movie Night

There will be only one movie night and it will be in July. Tema will check whether Public Works will be able to set up later in the evening so no one has to sit in the park watching the equipment.

Legacy Proejct

Claudine and Betsy will join the Legacy Taskforce.

Commission Mission statement

Commissioners accepted the following mission statement for the commission:  
"To protect and enhance the City's public parks and open space, and to promote and establish recreational facilities and programs."

Website

There should be links to the following sites:  
Stewardship Foundation, Shoreline Arts Council, Friends of Third Place Commons, Secret Garden Tours and Shoreline Parks and Recreation
