Notes from previous meeting approved with corrections.

Dean Rutz, Horizon View neighbor spoke to the commission about talks in Horizon View Park. Mr. Rutz's comments included the following:

- There needs to be two more dog stations for bags in the park – one should be by the dead end street.
- There should be a blurb in the Town Crier about picking up after your dog in the parks.
- Some people in the community need to be reminded about being a responsible pet owner.

Commissioners reviewed the website and changed the mission statement to read:

“The mission of the Parks and Recreation Commission is to protect and enhance the City’s public parks and open space, and to promote and establish recreational facilities and programs.”

The next meeting will include the following topics:

- Discussion of a proposed leash law – Dean Rutz
- Discuss a shelter and barbecue at Horizon View – Betsy Piano
- Commission Assessment RFP – Tema
- Update on the Legacy Project – Tema

Rick Purn will bring a blurb on Ivy and invasive removal to the next meeting.

Meeting adjourned at 9:00 PM
