City of Lake Forest Park
PARKS AND RECREATION COMMISSION
Meeting Summary
May 9, 2007

Attendance: Michelle LeMoine, Betsy Piano, Judy Altman, Rick Purn, Kate Comtois, Claudine Manio, Carol Bull
Absent: Elliott Sterner, Candy Richards
Staff: Tema Nesoff

Notes from previous meeting approved with corrections.

Discussion of a proposed leash law:

More information is needed from Mercer Island. This will be reported at the next meeting

Shelter at Horizon View

The shelters in the City of Shoreline were installed by a contractor and were very costly. Public Works staff may be able to do the job in house, which would save a great deal of money. Parks commissioners need to meet to identify the site for the shelters.

Commissioners will meet at Horizon View during the regularly scheduled meeting to determine siting for the structure.

Noxious Weed Removal

The Stewardship Foundation is sponsoring an Ivy Out program at Cole Nature Park on the 2nd Sunday of each month.

Lake Forest Park Legacy

Commissioners received an update on the project.

Meeting adjourned at 9:00 PM

- Shelter and barbecue at Horizon View – Betsy Piano
 - Update on the Legacy Project
- Invasive/noxious weed city-wide program approved by Stewardship Foundation
