Zoning classification: RS-7200

Is the site near the shoreline? (within 200 feet): No

Comprehensive Plan designation: Single-Family Residential, High

Circle known utilities / services to the site: gas, electric, water, sewer, cable, garbage, phone, other

Please provide the requested information:

1. What is the current use of the property? (Single family residential, vacant, etc.) Describe the surrounding areas (undeveloped, residential, commercial).

The site currently has no existing structures. Single family residential areas exist on all sides of the vacant property.

2. What is the size of the property? 4.05 Acres

3. If applying for a short subdivision, how many lots are proposed? 4 proposed lots

4. Has the property been subdivided before or had any other changes to the legal boundaries? If so, what is the file number and recording number?

Existing residents applied for a boundary line adjustment (BLA 2015-LL-0004 REC #20151020900014). This affected parcels 6152900030 and 6152900033.

5. The applicant must provide the following submittal requirements.

A. A survey, prepared by a registered land surveyor licensed in the State of Washington that provides the following:

1. The existing dimensions and lot size, proposed dimensions and lot size.
2. The legal description for all existing and proposed parcels, including location by section, township and range.
3. Notations that show the required setbacks from all existing or proposed lot lines.
4. Location of adjacent streets, existing and proposed access.
5. Location of existing and proposed structures and distances to property lines.
6. Location of proposed alterations or improvements.
7. All trees greater than 6" in diameter, including those proposed for removal.
8. Location of any sensitive areas on or near the site and associated buffers.
9. All existing and proposed sensitive area preservation tracts.
10. If possible, locate drainage channels, sewer and water lines.
11. Identify existing and proposed easements.
12. Name, address, phone number and seal of registered land surveyor preparing the short/preliminary plat or lot line adjustment.
13. Scale of the short/preliminary plat or lot line adjustment, date prepared and north arrow.
14. Existing topography of the land indicated by contours at five-foot intervals.
15. One copy of all plans reduced onto 8.5" X 11" sheets.
16. One copy of mathematical computations for lot closures and lot areas.

Other required information includes (short subdivisions only):

- Proof of water and sewer availability.
- A fire district receipt.

B. Preliminary Drainage Plan (*required for short subdivisions only*). Professional engineer licensed in the State of Washington should prepare this. Drainage requirements, systems and techniques must comply with the King County Surface Water Design Manual, as adopted by the City of Lake Forest Park

6. Release / Hold Harmless Agreement

I, the undersigned, his/her heirs and assigns, in consideration for City processing the application agrees to release, indemnify, defend and hold the City of Lake Forest Park harmless from any and all damages and/or claims for damages, including reasonable attorneys fees, arising from any action or inaction as based in whole or in part upon false, misleading or incomplete information furnished by the applicant, his agents or employees.

The undersigned acknowledges that this application is for a permit from the City of Lake Forest Park; that any permit issued by the City as a result of this application establishes only that the applicant's project complies with City ordinances and regulations; and that other State and Federal laws and regulations, particularly the Endangered Species Act, U.S.C. 16.31, et. seq., may apply to this project. The undersigned further acknowledges and accepts responsibility for complying with such other laws and regulations and agrees to release the City of Lake Forest Park, indemnify and defend it from any claim, damages, injuries, or judgments, including reasonable attorney's fees, arising from or related to violations of such other laws or regulations.

7. Permission to enter subject property

I, the undersigned, certify (or declare) under penalty under the laws of the State of Washington that the above answers are true and complete to the best of my knowledge. I also grant his/her or its permission for public officials and staff of the City of Lake Forest Park to enter the subject property for the purpose of inspection and posting attendant to this application.
