Lake Forest Park  
Community Town Hall

# **Building Climate Resiliency**

## **Listen, Ask, Learn**

Saturday April 24, 2021 10 am - 2 pm

A Virtual Conversation

Listen, Ask, Learn about climate change and the challenges and actions we can take as a community to make a difference.

Listen to: information on the science behind climate change and our local environmental history

Ask about: climate actions in breakout sessions

Learn from: climate social justice workers and each other as we talk as a community

Registration information forthcoming
